- Clean and dry quality air

TANK

Benefits :

- Provides steady pressure and air flow

COMAIRCO

more than a compressed air supplier,
we are your operations **partner.**

QUESTIONS AND ANSWERS

1

What happens at the end of the 5 year term?

- Reassessment of your needs.
- We can replace with a new system.
- We can take back the equipment.
- Purchase option may be offered.

2

Can I purchase the system at the end of the term and what will the price be?

- A fair market value will be determined at the end of the term.

3

Can I cancel the agreement?

- Yes, it is possible to cancel at any time.
- Cancellation fees will be charged a % of the remaining value left to pay in the contract.

4

If I need to increase my capacity, can I exchange for a bigger compressor?

- Yes, no problem, some fees may apply to cover scope change, installation, transportation and handling costs.

5

When I add up the monthly payments, why is the amount greater than the compressor purchase price?

- Because it covers all associated costs; equipment, preventive maintenance, 24/7 emergency service, all parts and fluids during the term of the agreement.

SULLAIR®

6

Is the plan more economical than a purchase?

- It could be more economical depending on the customer. Elimination of up front capital expense, all inclusive service protects the maintenance budget from surprises, minimal downtime increases production output all with a fixed monthly payment. Peace of mind guarantee.

7

What are my obligations?

- Perform a daily visual inspection of the system and communicate with Comairco any potential problems (abnormal noise, smells, leaks, or breakage).
- Notify Comairco if your operating conditions have changed (hours of use, pressure, change in air quality, challenges for our technician to go on site and do the compressor maintenance).

8

What does Comairco commit to?

- Fixed price maintenance for the duration of the term.
- Complete maintenance planning and scheduling of your system.
- Deliver consistent compressed air according to the agreed upon scope.

9

Who remains the owner of the equipment?

- Comairco.
